---

**ORDER RE DISCOVERY**

The court approves Genentech's and Sandoz's schedule for supplementing expert testimony (set forth in the parties' under-seal joint discovery letter brief filed at ECF No. 134). The parties retained their existing summary judgment briefing and hearing schedule.

After the proposed expert discovery is completed, the parties may enlist the undersigned' assistance in any scheduling and case management issues, if they think it is necessary, to develop the record in front of the district court fully before the summary hearing.

This disposes of ECF No. 134.

**IT IS SO ORDERED.**
